In this case we are acting as Brokers only. Vendor is not selling in the course of Business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and wherever appropriate, at his own expense to employ a qualified marine surveyor to carry out a survey and/or have an engine trial conducted.
