**LYING** Guernsey

**REMARKS**

Since this Aqua-Star Oceanranger 33 had a major refit in 2003/4, a considerable sum has been spent on a programme of upgrades & general maintenance, the most recent being the installation of a new Furuno electronics package in 2009 which also included a considerable amount of re-wiring. Recent survey report available on request. Interior photos available on request.

In this case we are acting as Brokers only. Vendor is not selling in the course of Business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and wherever appropriate, at his own expense to employ a qualified marine surveyor to carry out a survey and/or have an engine trial conducted.
